4 May 2020

Dear students

Graduation 2020: Update

It has been so frustrating and disappointing not to be able to celebrate with you. We hope that you and your families remain healthy and safe.

We are pleased to be able to tell you that although we have not been able to get your certificate to you because of the lockdown we have loaded a digital copy for you on your portal if your graduation ceremony would have been on a date before today or the certificate will be loaded on the date of your ceremony if it was planned in May.

If you do not remember your log in details, please contact the Student Hub – details are on your brand website.

We will communicate with you about collecting your physical certificate as soon as we are able to have you on site to do so and as soon as our secure printers can begin to work.

If you need confirmation of your graduation over and above the digital certificate, please remember that you can ask for a graduation letter from the Student Hub. Please apply under the category “Confirmation of Graduation.”

We apologise for this additional complexity.

Dr Felicity Coughlan
