22 July 2021

Dear Student

## **IIE Rosebank College Data Offer: Semester 2, 2021**

As we navigate the current situation in our country, together with increased infection rates and adjusted level 4 lock down, we understand that some students may experience difficulty in accessing our campuses.

The start of the second semester is imminent and not being able to access our campuses would result in reduced levels of engagement with the required teaching and learning activities for you to be successful in your studies this year.

We will continue with the Three Phase Model for most of our programmes. You will have the opportunity to engage with your studies physically (by coming to campus if it is safe to do so) or remotely. Sessions which would have required your physical presence will also have a link to Blackboard Collaborate, accessible via RCLearn. This will allow you to participate in lectures even if you are not physically there.

We would, therefore, like to offer students who may struggle to access their classes online due to data availability, the option to obtain a free data package paid by Rosebank College via the Telkom network. This option will be reviewed on a regular basis for the remainder of the year and may be revoked depending on circumstances at the time.

Students who would like to make use of this free data package would be required to report to the receptionist on their campus. They will then be directed to the correct person from whom to obtain a Telkom sim card. These sim cards have already been RICAed by Rosebank College.

- You will need to produce your digital student card or ID document when applying for the sim card on campus.
- A Telkom sim card will then be provided to you. Telkom will load 5GB daytime plus 5GB nighttime data onto the sim card within three to four working days.
- This offer is only available on the Telkom network.

Please note that the student portal and RC Learn websites are still available as a whitelisted sites. This means that you do not pay to download or upload content to these two websites. Rosebank College is reverse billed with the charges.

We look forward to your engagement in this process and wish you a safe, healthy, and academically successful second semester.

Regards

Greg Fillmore
