Dear Students and Account Payers

ACADEMIC DISHONESTY: DISCIPLINARY CONSEQUENCES

In November 2020, the registrar's office advised all registered students regarding academic dishonesty (letter ref: c 15849 – see <https://bit.ly/33g8lkH>).

I need to again remind all our students of the serious consequences associated with academic dishonesty.

Please be reminded that academic dishonesty can take several forms including, but not limited to:

- a) Copying from another student.
- b) Assisting another student to cheat by sharing work with another student.
- c) Any form of contract cheating paid for, or free, including uploading and downloading assessment questions and responses to websites and apps.(mobile applications).
- d) Collaboration on assessments requiring individual work.

Plagiarism is any use of the words, ideas, sounds or images of another person in such a way that an impression is created that they are your own.

Students, who have participated in any form of academic dishonesty, will be held accountable. As stated by the registrar's office the "penalty for the transgression of the intellectual (academic) integrity rules contained in the IIE015 Student Code of Conduct, Dispute, Grievance and Disciplinary Policy and IIE023 Intellectual Integrity Policy" will result in suspension and/or expulsion from IIE Rosebank College.

It has been brought to our attention that some students are involved in dishonest academic activities and these are being investigated.

As an educational brand of The Independent Institute of Education, the IIE Rosebank College actively pursues responsible citizenship amongst all students and staff and as such would like to remind you that;

- Your studying is not just about a qualification. You are developing competencies to equip you for the world of work.
- To study honestly is in your best interest.
